Wrap-up

What is the AKS Community?

The “AKS Community” is a place where our customers can regularly connect to the AKS Product Team.

It will include a series of monthly Community Meeting live streams, regular video updates, and “Ask me anything” type sessions.

How to stay connected

YouTube. <https://www.youtube.com/@theakscommunity>

Twitter. <https://twitter.com/theakscommunity>

Threads. <https://www.threads.net/@theakscommunity>

Github. <https://github.com/theakscommunity/aks-community-meetings>

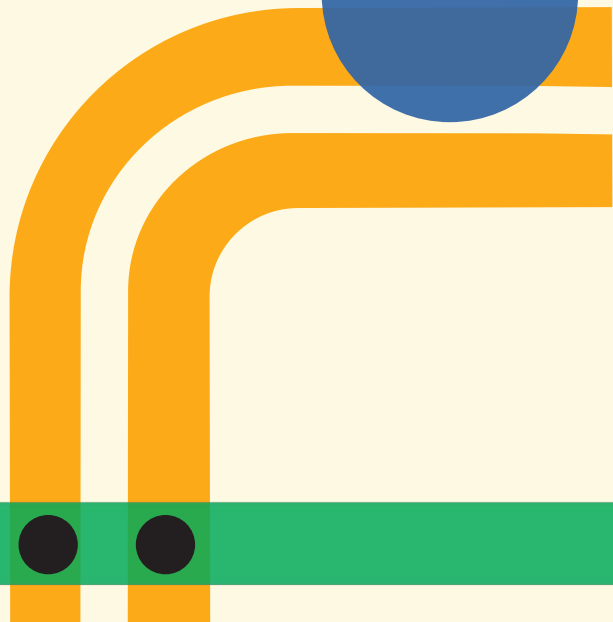

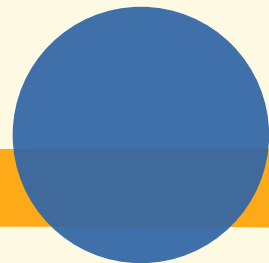

Code of Conduct

Microsoft's mission is to empower every person and every organization on the planet to achieve more.

This AKS Community is created for our customers and we want to ensure that every person and every organization has the opportunity to participate and benefit as much as possible.

Community full code of conduct:

<https://github.com/theakscommunity/aks-community-meetings/blob/main/code-of-conduct.md>
